

The background of the advertisement is a photograph of a modern, two-story house. The house features large glass windows and sliding patio doors with dark frames. The exterior walls are clad in light-colored horizontal siding. A dark metal pergola structure is visible over the patio area. The sky is clear and blue. In the foreground, there are some dark mulch and small plants.

NARROW SIGHTLINES

By MITER Brands™

A250

Framing home in a new light.

The path to perfect windows and doors has never been more clear. From tranquil mornings to family dinners, MILGARD seamlessly connects you to what matters most: windows and doors that frame life's most meaningful moments.

As a trusted brand for more than half a century, MILGARD offers products that promise long-lasting comfort, protection, and exceptional quality day after day, year after year.

EXPERIENCE
IS EVERYTHING

Our experts match you with attractive, reliable windows and patio doors that best fit your home, your needs, and your price point.

CONFIDENCE TO
CREATE

We deliver the highest-quality windows and patio doors through our passion for craftsmanship and a relentless pursuit of 100%.

EVERY DETAIL,
EVERY DAY

From robust testing and precision manufacturing processes to the innovations we develop for your comfort, every detail matters.

WHY WE'RE THE
RIGHT CHOICE.

MILGARD offers beautiful, worry-free windows and patio doors to frame each of life's little moments. Our exacting manufacturing processes and the innovations we develop mean you get reliable windows and doors that perform year after year. With MILGARD, you'll receive a level of service and quality others simply can't match, backed with an industry-leading warranty.

100%

Bring your home to life

Exhibiting strength and durability without sacrificing aesthetic details, A250 Thermally Improved Aluminum windows and patio doors can be configured to provide expansive views. What's more, they beautifully accentuate the clean, thin lines sought after in contemporary homes, making them a popular choice for architects and builders who embrace modern home design.

VIEWING AREA

Slim frames
The slim frame profile offers an increased viewing area and allows more natural daylight to flood the room.

Innovations that endure

A250 Thermally Improved Aluminum windows and doors are designed for performance and a long-lasting life. Crafted with high-quality components that start with the rollers and go all the way to the frame itself, A250 windows and doors help your home maintain a comfortable temperature with their improved insulating ability.

THERMAL BARRIERS

The use of thermal barriers in aluminum-framed windows and doors produces greater energy efficiency. Polyurethane is placed between the frame to create a thermal barrier and reduce the flow of heat.

MAXIMUM DOOR SIZING
