VX350 Stacking Doors

Combining functionality and aesthetics in a way few sliding patio doors can match, the VX350 stacking door is the perfect vinyl Moving Glass Walls system. Designed to operate seamlessly on a “floating” track, the VX350 exhibits a modern look that’s sure to upgrade your home’s curb appeal and impress your visitors. And its wide glass panels offer tremendous views of the outside while simultaneously helping to maintain consistent interior temperatures regardless of the season.

OUR GOAL IS 100% TROUBLE-FREE

With a goal of 100% trouble-free, our teams work tirelessly to help ensure your project stays on track.

From regular inspections and quality audits throughout the manufacturing process, we strive to ensure that the final product you receive meets our high standards.

In addition, most MILGARD windows and patio doors carry the American Architectural Manufacturers Association (AAMA) Gold Label to show they have met their strict requirements, which are tested and certified by a third party. This rigorous testing includes water penetration, air leakage, structural integrity, and forced entry resistance.
