

A250 Thermally Improved Aluminum

ALUMINUM WINDOWS AND SLIDING PATIO DOORS

CONTEMPORARY STYLE
STRONG AND DURABLE
NARROW SIGHTLINES

By MILER Brands™

The image shows a spacious, modern living area with a high ceiling and large windows. A large grey sectional sofa is positioned in the foreground. To the left, a curved floor lamp with a spherical shade stands near a small outdoor-style sofa with yellow cushions. The floor is made of dark wood. Large windows and glass doors provide a view of a lush, hilly landscape with trees and a clear sky. The interior is bright and airy, with white walls and a clean, minimalist design.

WHY WE'RE THE RIGHT CHOICE.

MILGARD offers beautiful, worry-free windows and patio doors to frame each of life's little moments. Our exacting manufacturing processes and the innovations we develop mean you get reliable windows and doors that perform year after year. With MILGARD, you'll receive a level of service and quality others simply can't match, backed with an industry-leading warranty.

100

MILGARD®

Framing home in a new light

The path to perfect windows and doors has never been more clear. From tranquil mornings to lively family dinners, MILGARD seamlessly connects you to what matters most: windows and doors that frame life's most meaningful moments.

As a trusted brand for more than half a century, MILGARD offers products that promise of long-lasting comfort, protection, and exceptional quality day after day, year after year.

EXPERIENCE IS EVERYTHING

Our experts match you with attractive, reliable windows and patio doors that best fit your home, your needs, and your price point.

CONFIDENCE TO CREATE

We deliver the highest-quality windows and patio doors through our passion for craftsmanship and a relentless pursuit of 100%.

EVERY DETAIL, EVERY DAY

From robust testing and precision manufacturing processes to the innovations we develop for your comfort, every detail matters.

Bring your home to life

Exhibiting strength and durability without sacrificing aesthetic details, A250 Thermally Improved Aluminum windows and patio doors can be configured to provide expansive views. What's more, they beautifully accentuate the clean, thin lines sought after in contemporary homes, making them a popular choice for architects and builders who embrace modern home design.

“THE WINDOWS LOOK
ABSOLUTELY ELEGANT.
I’M VERY IMPRESSED.”

- Palm Desert, CA

Innovations that endure

A250 Thermally Improved Aluminum windows and doors are designed for performance and a long-lasting life. Crafted with high-quality components that start with the rollers and go all the way to the frame itself, A250 windows and doors help your home maintain a comfortable temperature with their improved insulating ability.

THERMAL BARRIERS

The use of thermal barriers in aluminum-framed windows and doors produces greater energy efficiency. Polyurethane is placed between the frame to create a thermal barrier and reduce the flow of heat.

MAXIMUM DOOR SIZING

Varying configurations of the moving and fixed panels are available; please inquire for details.

A large, complex industrial window frame assembly is shown in a factory setting. The frame is constructed from dark metal beams, likely aluminum, which are interconnected by numerous small, square metal fasteners or spacers. The structure is tall and rectangular, with a grid-like pattern of these fasteners. On the right side, a section of the frame is partially completed, showing a white window frame with multiple glass panes. A wooden plank is positioned vertically against the right side of the frame, and an orange clamp is visible near the top of this plank. The background shows a typical industrial environment with concrete floors and various equipment. The lighting is bright, highlighting the metallic surfaces and the intricate assembly process.

OUR COMMITMENT TO YOU

We have a dedication to quality and build our windows and patio doors to last. With the A250 Thermally Improved Aluminum, you're covered for as long as you own and reside in your home with our Lifetime Limited Warranty.
